Approval of SNI^{PER}® Clean Solution

Dear Mr. Campbell:

As specified in our Body Armor Warranty, our ballistic panels are warranted for a period of sixty (60) months (see Body Armor Warranty for details). Consistent with the terms of the warranty, Safariland will continue to support the warranty when cleaning Safariland and its family of brands (ABA, SCA, Protech, and Savvy) ballistic panels using SNI^{PER}® Clean. The use of this product should be done in accordance of Safariland Use and Care guide and never submerge or bleach the panels.

We truly appreciate your commitment to quality products that serve the industry and look forward to a successful partnership in the law enforcement community. If you have any questions, please contact me at 909-930-8093 or tim.obrien@baesystems.com.

Regards,

Tim O'Brien
Category Director, Concealable Body Armor
